## PETITIONS THE COURT FOR LETTERS OF GUARDIANSHIP

In the matter of the estate and guardianship of Marie Battles, a minor, George H. Winterhower, a brother-in-law, has petitioned the district court for letters of guardianship. The petition relates that the child's parents, Wilma Battles, Johnson and C. B. Johnson, died in the early part of November leaving her an estate of the value of about \$600 and that it is necessary for a child to have a guardian to legally handle the property.

Mr. Winterhower is also petitioning the court for letters of administration in the estate of the mother, Wilma Battles, deceased, who died November 8, 1913.

Henry Kimes, M. T. Owens and L. W. Fair have petitioned the court for letters of administration in the estate of the stepfather, Charles B. Johnson, who died November 9, 1913, leaving an estate valued at \$700.

## PERSONAL INJURY CASE IS POSTPONED

The \$50,000 personal injury case of Orene Hogge, administratrix of the estate of her husband, Lawrence Hogge, against the Salt Lake & Ogden Railway company, the Merchants' Light & Power company, C. J. Humphreys and others, was called in Judge Harris' division of the district court this morning but was immediately continued for the term on account of the sudden illness of Attorney E. M. Bagley of Salt Lake, counsel for the plaintiff. The case will be called up for setting from the bottom of the December calendar.

A special venire of jurymen was issued yesterday and the jury was on hand this morning. The court ordered that the plaintiff will be required to pay the per diem of the jurymen.

It will be recalled that Lawrence Hogge was electrocuted June 28, 1911, while working at the Bamberger station. He was working on the top of the building when he came in contact with a high tension wire and was instantly killed. A wife and one child survive him. The widow is suing for the sum of \$50,000 as general and special damages.
